

2020 SNOW REGULATIONS AND PARKING RESTRICTIONS

Mayor Carlo DeMaria would like to remind residents of the current ordinances regarding snow regulations and parking restrictions. For this snow season, from December – April **2019/2020**, vehicles should park on the **EVEN** side of the street. This would apply for the entire snow season. This **EVEN** side parking applies for secondary streets as there is **NO** parking permitted on main arteries during a parking ban.

Main arteries include:

Chelsea	Everett Sq. to Everett Ave.	High	Broadway to Ferry
Hancock	Broadway to Malden line	Garland	Bell View to Somerset
Nichols	Ferry to Chelsea line	Alpine Ave	Entire length
Norwood	Bucknam to Everett Sq.	Union	Entire length
Lawrence	Entire length	Tremont	Entire length
Bellrock	Entire length	Tileston	Entire length
Broadway	Boston line to Malden line	Lynn	Entire length
Main	Sweetser Circle to Malden	Second	Entire length
Elm	Ferry to Revere line	Bryant	Entire length
Ferry	Malden line to the Parkway	Waverly St	Hancock to Warren
Bucknam	Norwood to Belmont St		

On streets with one sided parking please park on the side that is permitted throughout the year.

You may park in municipal lots but vehicle must be removed within 24 hours of the end of the storm, to allow for complete cleaning and plowing.

Failure to follow parking ban and snow emergency regulations will result in the ticketing and towing of vehicles. Ticketing and towing will begin at the declared time of the ban.

The Code Enforcement Department would also like to remind people when shoveling not to throw snow back into the street. This hinders the efforts of the City to effectively plow our roadways, and is subject to fines up to \$300. Also, using objects to reserve parking spaces during the ban is allowed but must be removed 48 hours after emergency ban is lifted. (this allows for shoveling of your space)

The Mayor and his administration ask that all residents help the City achieve a successful snow removal season by following these regulations, and thank everyone in advance for their cooperation.
